

It's Not About The Nail

It's just -- There's all this pressure. You know? And sometimes it feels like it's right up on me. And... I can just feel it -- like literally feel it -- in my head. And it's relentless, and... I don't know if it's gonna stop. I mean, that's the thing that scares me the most, is that I don't know if it's ever gonna stop.

Yeah. Well... you do have a nail... in your head.

See, you're not even listening now!

It's just -- sometimes, it's -- like, there's this achy... I don't know what it is. And I'm not sleeping very well at all. And all my sweaters are snagged. I mean, all of them.

That sounds... really hard.

It is. Thank you. Oww!!

Oh, come ON! If you would just --
