Quizlet

Thank you for your purchase. We have the most complete and professional library for English vocabulary study on the Web. Using Quizlet's unique and powerful study modes - your students will succeed.

Instructions:

Teachers. Join the Quizlet classroom with all your folders and sets. <https://quizlet.com/join/xxxxxxxx> or just click on the pdf to go to each study set directly.

Now you can add folders, sets to your own Quizlet classrooms. Or assign directly on Google Classroom. Or just let students study by clicking on the PDF and going to the set.

Many sets need a password for students to access. It's simple use this password: **xxxxxxxx**. If the password ever changes, we will notify you. With the password, both teachers and students can access the sets and study in any mode.

Students **DO NOT** have to register on Quizlet! But if you want to monitor their progress and completion - get students to register and invite them to your class where the sets are located. [Upgrade to Quizlet Teacher](#) for even more completion data.
