

Instructions for recording a voiceover for our leveled readers.

1. Go to [this folder](#). Download a video book to record a voiceover for. You can choose from any of the 6 levels. (don't go in the News folder).
2. **Download [Videopad NCH](#)**. You will use this to record the voiceover.
3. **Open Videopad**. Add the video to the Media folder. Right click and select "add to start of sequence".
4. **Click "Audio"** and "Over Video". A pop up will open.
5. **Click Record** and start reading the book naturally. Relaxed, friendly voice. Express yourself but not too much.
6. **Click Export**. Export the video. Name the same name as it has but add "Audio" to the end.
7. Email to me to finish. As zip or individually. david@eltbuzz.com
